## Mexico Is Unchanged by deGaulle

By MORRIS W. ROSENBERG

MEXICO CITY (AP)—President Charles de Gaulle's visit to Mexico this week was heralded as the start of a drive to extend French influence through Latin America.

De Gaulle plans a tour of South America in the fall. What effect did his four days in Mexico have on Mexican policy? "Nothing has really changed," some Mexican officials commented.

The 73-year-old French hero was unsparing in the praise he heaped on Mexico.

Mexicans responded with their limitless hospitality, even giving De Gaulle the unprecedented honor of addressing the Mexican nation from the balcony of the National Palace.

De Gaulle mixed his compliments to Mexico in equal proportion with praise for France. Mexicans, while returning the compliments, let De Gaulle know they had basic differences in policy.

President Adolfo Lopez Mateos, a champion of the limited nuclear test ban, said in a

## Wedding Band New Death Clue

SAN FRANCISCO (AP)—A missing key and wedding band and newly discovered blood stain are focal points of an investigation into the bizarre murder of 24-year-old Martha Coates.

Mrs. Coates, daughter of an Arkansas bank president, was strangled with a silk stocking and a necktie.

A meticulous police search Thursday turned up three bloodstains. Two were in the bathroom where the pregnant young housewife's nude body was discovered Monday by her 26-year-old stockbroker husband, David.

A third smear was found on the bedroom wall in the couple's apartment and was of a type different than Mrs. Coates', said Homicide Inspector Arthur Christiansen.

Coates said his wife's wedding ring was missing. He said it was on her finger when he left for work the day she was killed.

The only key to the front door of the apartment also was missing. Coates said he left it with his wife.

Mrs. Coates was the daughter of J.J. White, president of the Helena National Bank. Her husband is the son of John E. Coates, U.S. commissioner in Little Rock.

## Clay Fails Induction, Army Says

WASHINGTON (AP)—The Army said today heavyweight champion Cassius Clay failed his second pre-induction examination and is "not qualified for induction into the Army under applicable standards."

The Army made no mention of which examination Clay failed although it is presumed it was his mental aptitude test. Rumors have been heard for several days that he failed the mathematics portion of the test.

The Army said only: "Tests given Clay included measurement of aptitudes for various skills needed in military service."

Clay was given a second test after it was determined that the results of his first pre-induction examination were inconclusive, the Army said.

"Interviews conducted by experts in the field of testing and analysis of results of the two tests indicate that Clay put forth his best efforts on both occasions," the Army added.

Clay won the heavyweight championship earlier this year from Sonny Liston.

## Faubus and Winthrop in Cordial Meet

JONESBORO, Ark. (AP)—Gov. Orval E. Faubus and Winthrop Rockefeller, who may wind up on opposite sides of the fence in the same race this summer, acted like old buddies here Thursday.

Faubus, leader of Arkansas' Democratic Party, and Rockefeller, state Republican National Committeeman, both are believed near to announcing as candidates for governor.

They each wisecracked at a chamber of commerce luncheon. Rockefeller left after the luncheon, but Faubus stayed on for dedications of two buildings, then went to a forum.

The Arkansas State College Young Democrats Club, which sponsored the forum, bombarded Faubus with questions about Rockefeller.

Would Rockefeller have a chance against a Democratic candidate in a race for governor?

"Rockefeller tried to get Republicans in office in the last election," Faubus replied. "He only succeeded in winning one county race. If he runs, many Republicans will run for various offices behind him. Rockefeller could win, but not with my support."

GOP popularity polls in Conway and Clark counties show strong support for Rockefeller, one student said, then asked Faubus what he thinks of the polls.

Faubus said he questioned the accuracy of the polls. He was asked who would run on the Democratic ticket if he did not run for governor.

"Either Mr. (J. Orville) Cheney or Mr. (Jim) Johnson," Faubus said laughingly.

Cheney, Revenue Commissioner, and Johnson, a state Supreme Court justice, were on the platform with Faubus.

The governor also mentioned Brooke Hays, the former Arkansas congressman, and Dr. Dale Alford of Little Rock as possible candidates.

Faubus dedicated the \$1 million Dean Ellis Library at the college, then went to Caraway to dedicate a new high school auditorium.

At the luncheon, Rockefeller said, "I'm pleased that you invited two men of such indecision. But all that indecision will end by April 29."

The filing deadline is at noon, April 29.

Faubus needed Rockefeller a bit.

"If what could possibly happen should happen," Faubus said, "I'm quite happy to give Mr. Rockefeller equal time here today if he'll give me equal time later on."

"I doubt if I could afford to pay as much," he said.

Rockefeller was limited to five minutes speaking time at the luncheon. Faubus, who was not limited, spoke for 20 minutes.

## Memory Is Odd Miser, Recalling to Hal Boyle Era of Smelling Salts

By HAL BOYLE

NEW YORK (AP)—Memory is a strange miser. It hoards the oddest things, and in moments of reverie parades them before your inner eye in a seemingly haphazard fashion.

You've been through life's mill yourself, if you can look back and remember when— You could be the life of any party by imitating Charlie Chaplin's duck-footed waddle.

Ladies were so delicate and fainted so often that every well-run household kept a bottle of smelling salts handy to revive them.

A wife who held a job outside the home tried to keep that fact from her relatives — as if it were a kind of disgrace.

One of the biggest thrills of boyhood was to get to wear the wool wrap-around leggings your soldier uncle brought home from World War I.

It was widely believed that business depressions were caused by sun spots and that, anyway, there wasn't much that man could do to prevent them or keep them from running their course.

Every small town had a champion whittler and a cham-

## Ruby's New Attorney Confident

HOUSTON, Tex. (AP)—Jack Ruby's new attorney is confident his client will be granted a new trial and will escape death in Texas' electric chair.

Percy Foreman, president of the National Association of Defense Attorneys and probably the best known criminal lawyer in Texas, agreed Thursday to succeed Melvin M. Belli as Ruby's chief counsel.

A Dallas jury sentenced Ruby to death Saturday for slaying Lee Harvey Oswald, the accused assassin of President John F. Kennedy, last Nov. 22.

## Boisterous Singing Not Enough to Expel Family From Church, Says Judge

By ROBERT COOKE

LOS ANGELES (AP)—Pastor Wayne A. Eurich says the John H. Chapman family ought to be kicked out of church because they engaged in boisterous and uncouth singing during services. But a judge says no.

Superior Court Judge McIntyre Faries ruled Thursday that Chapman, 49, and his daughter, Connie Ray, 22, may attend services at the Mar Vista Baptist Church.

Chapman's wife, Betty, 41, however, remains enjoined from attending church while the court hears further testimony. She is accused of singing too loudly and deliberately off-key during services.

An injunction was granted in August, 1961, against the entire family, but Judge Faries has refused to make it permanent, saying evidence of the uncouth singing, especially against the husband and daughter, was insufficient.

Eurich testified Thursday that

Mrs. Chapman also disrupted services by "murmuring 'I'll' and making faces."

Eurich also said Mrs. Chapman once raised a glass of communion wine in a toast to him, although she was not entitled to take communion because she was under disciplinary action.

"I definitely did not toast Eurich," Mrs. Chapman replied. Eurich told the court earlier that the disagreement between the church and the Chapmans began in August, 1960, over arrangements of a wedding.

He said he was in Mexico when the ceremony took place and on returning found that Mrs. Chapman had threatened to punch a deacon on the nose.

"I talked to Mrs. Chapman and suggested she apologize," he testified, "but she said she would not."

Thereafter, he explained, the Chapman family was expelled by vote for un-Christian conduct, but, nonetheless, continued to attend services and business meetings.

## Embassy Invaded by Russians

By HENRY S. BRADSHAW

MOSCOW (AP)—Soviet police hauled protesting Moroccan students out of Morocco's Embassy in Moscow during the night after pleading failed to budge them.

The students, about 50 strong, were taken back to their dormitories in buses about eight hours short of their goal of a 24-hour sit-in.

The students occupied the embassy at 10 a.m. Thursday to protest against death sentences ordered in Rabat for 11 persons convicted of plotting to assassinate Morocco's King Hassan II.

There was no violence as the demonstrators streamed into the embassy offices, seated themselves on the floor with arms linked and announced they would resist any attempt to oust them.

Soviet authorities did not intervene at first, since by diplomatic tradition the embassy of a country is its own soil.

There the students sat as the hours passed, refusing to eat, singing Akabic songs occasionally and posing for news photographers.

They turned a deaf ear to harried junior embassy officers who urged them to leave. The ambassador was out of town.

Shortly after dark, three officials of the Soviet Ministry of Education arrived and appealed to the demonstrators to leave. The students refused. The Soviets threatened further measures.

A student leader said the Soviet officials told them the Moroccan government had asked the Soviet ambassador in Rabat to have something done.

Three buses loaded with police wheeled up outside the embassy about 1:30 a.m. and cordoned off nearby streets. When several ranking officers had no better luck with the students than the others, police moved in and carried the Moroccans away.

An embassy spokesman said they went voluntarily. One student said they put up some physical resistance.

## Hope Soldier in Army Maneuver

FORT CARSON, Colo. (AHTN-C)—Army Pvt. James T. Hendrickson, son of Mrs. Gladys F. Goforth, 402 N. Hervey st., Hope, Ark., and other members of Battery B of the 4th Artillery's 5th Battalion at Fort Carson, Colo., took part in Exercise Cherry Tree, an amphibious maneuver at Camp Pendleton, Calif., ending March 11.

During the three-week exercise Hendrickson took part in a beach assault against members of the U.S. Marine Corps stationed at Camp Pendleton and learned all of the facts of making beach landings essential to land soldiers.

Hendrickson, a radio telephone operator in the battery, entered the Army in June 1963 and completed basic training at Fort Polk, La.

The 18-year-old soldier attended Hope (Ark.) High School. His father, John T. Hendrickson, lives at 538 S. W. 25th st., Oklahoma City, Okla.

## Storms Rake U.S. 1st Day of Spring

By THE ASSOCIATED PRESS

Three storms pounded different sections of the nation with destructive winds, snow and rainstorms as spring came today after renegade tornadoes ended the winter season with a king-sized punch at Texas.

Spring officially began at 9:10 a.m. (Eastern Standard Time).

Tornadoes and strong winds whipped along the Texas coast Thursday, causing an estimated \$500,000 damage in Baytown and injuring at least 12 persons in Nederland.

A disturbance in eastern Kansas cast a winter scene over most of the central and northern Plains and in the Upper Mississippi Valley.

Blizzard conditions occurred from eastern Colorado and western Kansas through Minnesota and the eastern Dakotas. One to three - inch snowfalls were blown and drifted by 50 mile per hour winds with gusts up to 60 m.p.h. in northwestern Kansas, reducing visibility to one-half block.

A storm centered in northeastern Arkansas produced rain from Missouri and central Illinois through Kentucky and Tennessee.

Rain fell from Alabama and northern Florida into the Carolinas.

In the Texas storm Thursday five persons were hospitalized when 75 m.p.h. winds struck a trailer park in Nederland. The tornado in Baytown virtually destroyed a newly constructed country club which was to be occupied in two months.

Other tornadoes reported in the Houston area did less damage.

## Pilot ASC Program in 3 Counties

LITTLE ROCK (AP)—The state Agricultural Stabilization and Conservation Committee has elected three counties for a pilot program to show what can be done in the ASCS program when sufficient funds are made available.

Each of the counties, Benton, Boone and Randolph, will get 10,000 in federal funds to apply to a conservation program recognized by local residents as needing urgent attention.

The money will be in addition to the regular allocation for the counties.

The work will be done through the Agricultural Conservation Program and will include planting of permanent vegetative cover, planting trees and improving timber stands, constructing ditches and terraces, leveling land and building dams to impound water for stock or irrigation.

Arkansas is allocated 4,795,000 in ACP funds for 1964. All but the 30,000 for the pilot program will be distributed to county committees.

## McNamara Forbidden Politics

WASHINGTON (AP)—President Johnson has told Secretary of Defense Robert S. McNamara he wants him to stay out of the 1964 political campaign. It was learned today.

Johnson has given similar word to Secretary of State Dean Rusk.

In all probability, sources said McNamara would have kept clear of any political campaigning even if Johnson had not expressly ordered it that way.

Cabinet officers in less sensitive fields often are expected to pitch in and help win votes for the man in the White House. But the heads of the State and Defense departments traditionally have tried to remain above the battle.

## 2 Women Accused of Threats

AUSTIN, Tex. (AP) — Two Nashville, Tenn., women were charged Wednesday with making a threatening telephone call to Texas Gov. John B. Connally on the day a Dallas jury decreed the death sentence for Jack Ruby for the slaying of Lee Harvey Oswald, accused assassin of President John F. Kennedy.

Federal Bureau of Investigation agents identified the women as: Christine Burke, 34, and Norma June McGriff, 38. They were arrested Wednesday at their Nashville homes and waived a hearing before U.S. Commissioner A. B. Neil Jr. Each was released under \$2,500 bond. They entered no plea to the charge.

The FBI in Nashville said the women likely will be tried in the San Antonio, Tex., federal court. J. Myers Cole, special agent in charge of the San Antonio FBI office said the complaint charges that the two women "on or about March 14 at Nashville did willfully and knowingly transmit in interstate commerce from Nashville to Austin a telephone call containing a threat to injure the person of Gov. John Connally, in violation of federal statutes."

Neither the FBI nor Connally's office would amplify the "threat to injure the person" charge. Only one call was made but

two women talked, the FBI said.

Connally said he knew about the call but would have no other comment.

The governor's office said the March 14 call was received by Texas highway patrolman Bill Nelson, regularly assigned to guard the mansion. Nelson talked with the women "for some time" and during the conversation managed to get the call traced to Nashville. Connally was not in Austin at the time the call was made, his office said.

If convicted the women could receive as much as five years in prison and \$1,000 fines.

The announcement came while Connally was in Dallas for a checkup on the bullet wounds received Nov. 22 at the same time President John F. Kennedy was assassinated.

Doctors removed the cast from the governor's right arm and said it is unlikely he will need further surgery. He also is recuperating from a wound through the right chest and another in the left leg.

## Deaths

CAMBRIDGE, Mass. (AP) — Dr. Norbert Wiener, 69, famed scientist and considered the father of automation, died Wednesday in Stockholm, Sweden. Dr. Wiener, a native of Columbia, Mo., had been on the Massachusetts Institute of Technology board for 42 years before retiring in 1960.

BUFFALO, N.Y. (AP)—John C. Montana, 70, who was accused by FBI informant Joseph Valachi as a Cosa Nostra lieutenant, died Wednesday in a hospital after suffering a heart attack.

WASHINGTON (AP) — Woodbury Willoughby, 59, who arranged the rescue of a treasure in gold and silver from the Philippines just before the fall of Corregidor during World War II, died Wednesday of cancer.

CHICAGO (AP) — Arthur A. Schmon, 68, head of Ontario Paper Co., Ltd., and a director of the Chicago Tribune, died Wednesday after a lingering illness.

VERO BEACH, Fla. (AP)—George T. Davis, 65, sports editor of the Los Angeles Herald-Examiner and prominent in California athletic circles for more than 40 years, died Wednesday of a heart attack minutes after watching a Los Angeles Dodgers' baseball exhibition game.

STOCKHOLM, Sweden (AP)—J. Siegfried Edstrom, 93, former president of the International Amateur Athletic Federation, died Wednesday.

## Irish Party to Help Out Democrats

WASHINGTON (AP)—Led by that eminent Hibernian, Lyndon B. Johnson, Democratic legions gather tonight for an "Irish party" calculated to fatten the party's campaign war chests by \$500,000.

President Johnson prepared, for the \$100-a-plate dinner, a speech expected to set the tone for the coming campaigns to keep the Democrats in office.

The theme of the dinner was all-green. The huge National Guard Armory's drill shed was festooned with hundreds of yards of green decor, interspersed with harps. Even the tickets, for which the faithful shelled out the long green, were printed in green.

Why the Irish motif two days after St. Patrick's Day? A Democratic party official explained that St. Patrick's Day has expanded itself — that the whole week is Irish week. It was also pointed out that Johnson, in a New York speech Tuesday, proclaimed himself "an Irishman by osmosis."

The dinner is in honor of the congressional "class of 1936." That is, men who first got elected in the Democratic sweep of that year, under Franklin D. Roosevelt.

## Exams Hold Eye of LBJ Daughter, 20

WASHINGTON (AP) — The President's older daughter, Lynda Bird Johnson, turns 20 today with college examinations rather than celebrations on her mind.

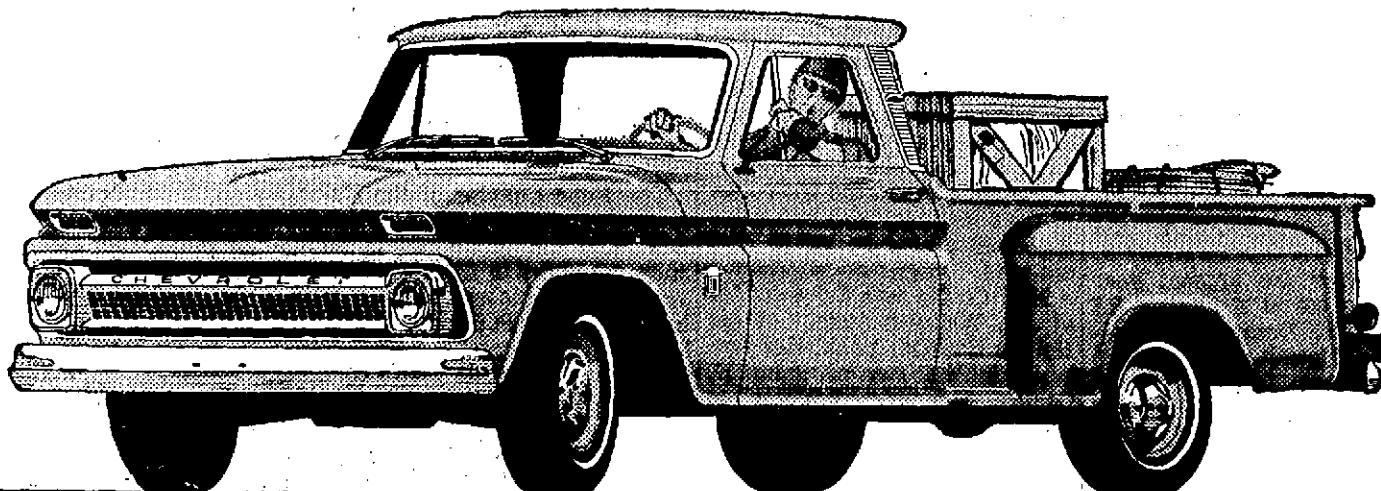

"She was handed the worst birthday present she could get from her professors—two tests on Friday," a family spokesman explained, Wednesday.

Lynda's farewell to the teens was thus destined to be a rather quiet affair. Close associates say she doesn't like celebrations anyway.

And, she was reportedly devoting much of the day to studying for the exams in American Government and English, courses she takes three days a week at George Washington University.

**Why Don't Husbands Hear**  
Dear Dr. Brothers: I can't count the times my husband has returned from work without that dozen eggs or loaf of bread I told him to be sure and pick up on his way home. He says, "I didn't hear you tell me to pick anything up." There's nothing wrong with his hearing. Why do husbands act that way—M. L.

Dear M. L.: Before you brand him a liar you'd better listen to what the Illinois Institute of Technology has found out about hearing and emotions. Exhaustive tests show that under strain or anxiety we just do not hear clearly. More than that, we only hear what we want to hear and remain deaf to unpleasant messages. If your husband was tired when you told him to get that dozen eggs or was thinking about a business problem or still suffered from the effects of last night's family argument, chances are that he did not hear your instructions, no matter how often or clearly you thought you stated them.

## THE WEEPING WIDOW MINE

By Nelson C. Nye

Copyright 1964, Nelson C. Nye

**THE STORY:** After the company was formed to work Medders' strike, Charlie lights out without revealing the location of the mine.

**XVII**

There was obviously much Charlie Medders didn't know, but any kid in three-cornered pants could have sensed this was no time to be lingering in the environs of Tucson.

Jones would be after his scalp now for sure, and wouldn't much care how he lifted it either so long as it was probably the work of others and he could see any reasonable chance of subsequently turning up the source of Charlie's ore.

Swearing at his burros, Medders struck out once more toward the blue and gray shapes of the Tucson mountains, pelting his burro charges with rocks to keep them bumping. He was nursing no delusions as to how far Jones would go; about the only thing Charlie could find on his side was the certainty that, up to this point anyway, the banker could not know precisely where this horde was hidden.

But there was danger in the fact that Belita Storn had been there.

It didn't seem likely, by herself, that she could find her way back; but Jones and his cohorts would soon worm out of her everything she could remember and, while in desert country one batch of hills looked pretty much like another, there were differences Apaches would have little trouble deciphering.

Burks would have injuns swarming all over you could bet your old clay pipe on that. He hadn't covered more than three-four miles when, scanning his backtrail from the vantage of a rise, he discovered dust and, eyes narrowing against the glare, presently made out the bent-forward shapes of three hard-riding horsebarkers.

About a mile away they broke apart, one cutting around to the north, one canting off into the south, the other—obviously Burks—keeping straight on. But just out of rifle range he stopped and swung down, watching his helpers completing the surround.

Medders, jacking a cartridge into the firing position, rested his rifle across the shelf of a

**Strange Blast Hits California**

ALAMEDA, Calif. (AP)—A mystery explosion that shook two cities tore a hole in a huge ocean-going barge Thursday, killing two workers and injuring 12 others.

The blast, cause unknown, ripped open a 50-foot section of the barge's stern and caused a shock wave felt in neighboring Oakland and in San Francisco, eight miles away.

age. Torrential rains accompanied the winds.

In New Orleans, 3 inches of rain accompanied by 40 m.p.h. winds flooded streets and toppling trees. Gusts up to 52 m.p.h. roared through Baton Rouge.

In the West, seven persons were injured in an 11 - vehicle pileup Thursday night in southern Wyoming as blizzard conditions prevailed.

Blowing snow stranded five school buses as eastern Colorado and marooned a school superintendent who tried to get to one of the vehicles in snowplow.

The children were sheltered in homes for the night. Twenty-six children were bedded down in one farmhouse.

Two buses bogged down in snowdrifts on country roads northeast of Limon and three were stuck near Yuma.

The superintendent, Donald Weber, about 30, of Limon, headed for the Limon-stranded buses in a snowplow and became stuck.

In the Midwest, blizzard conditions prevailed for portions of Kansas and northwestern Missouri. Rain fell in the Kansas City area for almost 24 hours continuously.

Snow fell over most of Michigan and temperatures were below freezing.

Winds, cold weather and 2-4 inches of snow fell on parts of Illinois.

In Indiana, the swollen Ohio River continued to recede, but flood water still plagued communities the length of the state.

Snow and rain spread over the state.

The Ohio was expected to recede back to the flood stage of 52 feet in Cincinnati today after a 66.2-foot crest last week.

Skies were sunny in New England and New York State.

CLEVELAND (AP) - Doctors were to start today selecting a volunteer from 96 persons willing to donate a kidney so that Allan Scott Jr., 11, of Garden City, Mich., may live longer.  
Among the 96 are four with multiple kidneys. Two say they have three kidneys instead of the usual two. The other two say they have four kidneys each.  
Allan was stricken last summer with a kidney disease. His parents were told then he wouldn't live more than a few weeks. He was brought unconscious to Cleveland Clinic Feb. 1.

She also said she thinks Jack Ruby, convicted of murdering Lee Harvey, was a paid killer. Television Station KATV provided transportation here for Mrs. Oswald and one night's lodging. She said she was not sure when she would leave Little Rock, but indicated it might be tonight.

# Cards' Flag Hopes Hang on Pitcher

By JIM BECKER  
Associated Press Sports Writer

"If Ray Washburn is sound," old Branch Rickey has said, "the Cardinals will win the pennant."

Washburn is the big, young right-hander who won his first five games for St. Louis last season, and then came down with arm trouble. He never won another and spent most of the season in the minors.

He tested the arm for the first time Thursday against the Cincinnati Reds, and for a while the Cardinals looked like they were going to give the Mets a run for the cellar. Washburn walked the first batter and then gave up three straight hits and two runs.

Then he settled down and the Cardinals' hopes began to look up. Washburn struck out four in a three-inning stint and St. Louis went on to a 3-2 victory.

That gave the Cardinals a 5-1 record for the spring exhibition season. Two other teams have better records the Los Angeles Dodgers and the San Francisco Giants who rank with the Cards as preseason favorites for the National League pennant.

The Dodgers, yet to lose, won their third game, 5-4 against the Milwaukee Braves. The loss ended a four-game winning streak for the Braves.

Willie Davis hit a double and a triple and Lee Walls had three straight singles for the Dodgers, who made 14 hits off Warren Spahn. Tony Cloninger and Phil Niekro.

The Giants made their record 10-1, as they made 15 runs for the second straight day. This time they trimmed the Los Angeles Angels 15-12 and collected 19 hits. Willie McCovey got three and ran his hitting streak to 10 straight. He is batting .520.

Bob Bailey, the expensive young third baseman of the Pittsburgh Pirates, went four-for-four against the New York Yankees and made it 10 straight hits, too. The big bonus youngster is batting .786. But the Yankees won 2-0, on two first inning runs. Roger Maris drove in one and scored the other on a passed ball.

Nellie Fox made his first appearance for Houston against his longtime Chicago White Sox mates, contributed a double and a fielding gem, and the Colts finally won it in the 12th inning, 1-0. Eddie Kasko drove the winning run across.

The New York Mets and the Philadelphia Phils received good pitching in victories.

Carl Willey, Craig Anderson and Ron Locke held the Detroit Tigers to three hits, and rookie first baseman Billy Haas hit a two-run homer in a 5-0 Mets victory.

Art Mahaffey and Gary Kroll each struck out seven Washington batters, and Richie Allen and Bobby Wine homered in a 3-1 Philadelphia triumph.

Baltimore got homers by Dick Brown, John Powell and Willie Kirkland in a 6-2 verdict over Minnesota, and Cleveland scored eight runs in the first inning and went on to a 17-10 success over the Boston Red Sox.

## Coaches Air Troubles at Big Tourney

By BOB GREEN  
Associated Press Sports Writer

KANSAS CITY (AP)—Cazzie Russell has a tender ankle, Duke had a minor plane mishap, UCLA is fighting the doldrums and Kansas State is a longshot. All of which, the various coaches say, means practically nothing.

The four coaches with teams in tonight's NCAA basketball championship semifinals outlined their troubles after brief workouts Thursday, then confidently repeated their vows of optimism.

Each of the quartet — John Wooden of UCLA, Dave Strack of Michigan, Vic Bubas of Duke and Tex Winter of Kansas State — said he felt his team had a legitimate shot at the championship none of them has ever won before.

The line-up has Atlantic Coast Conference champion Duke, 25-4, playing Big Ten co-champion Michigan, 22-4, in the opener. Top-ranked UCLA, 28-0, takes on Big Eight champion Kansas State, 22-5, in the second game. The winners meet Saturday for the title.

UCLA finished the regular season with the ranking of the nation's No. 1 college basketball team. Michigan was second and Duke third. Kansas State, which had to upset Wichita in the Midwest regionals to gain the semifinals, was unranked.

"Since we're playing in our area, it figures that we're going to have a lot of Kansas State supporters on hand," Winter observed. "And there may be an advantage in playing here. We play here three times each year and our boys like to play in Kansas City. Maybe those are advantages. If they are, we'll take 'em. We need all the help we can get."

Kansas State, beaten 78-75 by semifinal opponent UCLA in the regular season, has won 13 straight. It features a zone defense, built around 7-foot Roger Suttner, and the scoring and rebounding of Willie Murrell.

Wooden discounted any pressures that may have been built up in an undefeated season and the No. 1 ranking, but admitted "we were fortunate to get through the regionals. There was a letdown after finishing the regular season. I don't think it will happen here, but it's possible."

The mighty Bruins have a blistering running attack, featuring the backcourt pair of Walt Hazzard and Gail Goodrich and a disturbing zone press. They're the shortest team in the tourney, with no starter over 6-foot-5.

Duke was shaken up a bit when its charter plane skidded off a rain-slick runway just after landing at the Kansas City Airport. There were no injuries and less than an hour later the team was taking part in a closed workout at Municipal Auditorium.

"There's no reason it should have any effect," Bubas said. "No one was hurt. We just skidded off the runway."

The ACC champs, like UCLA, offer a fast-break offense and have good rebounding in a couple of 6-foot-10 operatives, Jay Buckley and Hack Tison. Backcourt ace Jeff Mullins is the team quarterback and top scorer with a 24.4 average.

Russell, Michigan's sophomore backcourt sensation, still is nursing his right ankle, injured in Big Ten play, Strack said.

"He limps on it until he's caught up in the game," Strack said.

Fbi-hara, 113, Japan, outpointed Fabian Esquivel, 113-2, Mexico, 10.

## Big 12 to Hold Own Tourney

By JOHN R. STARR  
LITTLE ROCK (AP) —

The Big 12 Conference members voted Thursday to hold their own state basketball tournament next March.

The conference also decided to split into divisions for the next basketball season. The split followed the same lines as the divisions for football.

Both actions were expected. In the Western Division are Fort Smith, Fayetteville, Springdale, Hot Springs, Texarkana and El Dorado.

The Eastern Division includes Blytheville, Jonesboro, Pine Bluff, the two Little Rock schools and North Little Rock.

There will be no playoff between division champions to decide the Class AAA championship. That will be settled in the tournament, in which all 12 teams play.

Since 1958, Class AAA teams have competed in the Class AAA state tournament.

There were only seven Class AAA teams in 1958, but Springdale and Fayetteville begin Class AAA competition next year, expanding the league to 12 members.

The Big 12 wants to hold its tournament at the same time and site as the Class AA meet, if the Arkansas Athletic Association and the Class AA schools are agreeable.

Johnnie Burnett, AAA executive secretary, told delegates to the meeting that the AAA would approve, and he predicted that the Class AA schools would welcome a joint tournament.

The Class A and Class B state tournaments now are held at the same time and site, but are separate tourneys.

The Big 12 does not need AAA approval to hold its own tournament.

The league voted to require a double round robin to determine regular season basketball champions in each division. Games teams play against teams in the other division will not count in league standings.

The Western Division begins conference play Dec. 18, and ends March 5. The East starts Dec. 11 and ends Feb. 26.

## Long Shot Likely in Grand Nat'l

By JOHN FARROW  
Associated Press Sports Writer

AINTREE, England (AP)—It could be a race for a long shot in the Grand National Steeplechase on Saturday just like it was in 1928.

That was the year Tipperary Tim plodded his way around a mud-soaked turf course and won at odds of 100-1. He was the only one to finish.

Rain has soaked the four miles, 856 yards track this year and today the going suddenly turned soft.

If the rain keeps up then the battle charge of 35 expected runners could turn into a mud bath. Anything could happen. A horse you've never heard of could stay on its feet and win.

That's the magic of the National. The horses have got to negotiate 30 tough obstacles. That's enough for any jumper at the best of times. If it's a muddy course, a horse can lose his footing, go down and bring another one down with him—and the one brought down might be the favorite.

Thursday 14 horses set out in the Topham Trophy over a course of two miles and six furlongs. Only six finished.

If the rain keeps up then it could be a similar story on Saturday in the National.

The British bookies have made Time the 10-1 favorite with Beau Normand and Kilmore second choices at 14-1.

Flying Wild, owned by Raymond Guest of New York, is bracketed with Springbok and Border Flight at 16-1.

Guest is trying to become the first American to win both the classic English Derby and the National. He won the Derby

## Sam Snead Out Front at Miami

By BEN FUNK

MIAMI, Fla. (AP) — Sam Snead, still booming his shots off the tees at the age of 51, led the year's strongest golf field into the second round of the 50,000 Doral Open Tournament today.

Racking up a four-under-par 68 in the opening round despite his usual putting difficulties, Slammin' am staked a first-round claim on the 7,500 first prize awaiting the winner Sunday.

One stroke behind were Mike Souchak, Dave Hill, Bob Shave Jr., Bert Yancey, Joe Lopez Sr. and Ken Venturi. Ten others were only two strokes off the pace.

Snead, who plays in only a few tournaments but continues to add substantially each year to one of golf's biggest bank rolls, complained that he missed five birdie putts.

This is his first start on the tour this year. The West Virginian started in only 12 out of 43 tournaments in 1963, but still collected more than 28,000.

The 7,028-yard Doral Country Club "Blue Course," called the "Blue Monster" by some pros, gobbled up two of golf's Big Three, Arnold Palmer and Gary Player.

## Bowie Will Try Derby Hopefuls

ORLO ROBERTSON  
Associated Press Sports Writer

Reginald N. Webster's one-two punch of National and Traffic make their 1964 stakes debut Saturday in a race that could well tell whether they'll be a serious factor when the nation's top 3-year-olds run in the Kentucky Derby May 2.

National and Traffic head a probable field of seven in the 75,000-added Governor's Gold Cup at Bowie.

The Gold Cup is one of three major races on Saturday's program. The others are the 100,000-added Gulfstream Park Handicap featuring Gun Bow Admiral Vic and Sunrise Flight, and the 25,000-added Paumonok Handicap for sprinters at Aqueduct.

Admiral Vic, piloted by Mickey Solomon, picks up 124 and Sunrise Flight, with Larry Adams up, packs 121. Gun Bow showed that he is ready for the rich test by working five-eighths of a mile in 58 seconds Wednesday and galloping out the six furlongs in 1:11 3-5. A starting field of 12 would make a gross purse of 117,100 with 77,100 going to the winner.

At Aqueduct, where seven 3-year-olds clashed in the six-fur-

duct. Both National and Traffic started the year with victories last week at the Maryland track. National, sidelined last year before he got a chance at the top ones, won a six-furlong race by six lengths in 1:12 1-5. Traffic, winner of last year's Hopeful at Saratoga and out of the money only five times in 16 starts, scored by 1 1/4 lengths in a 1:12 3-5 clocking for the same distance.

Trainer Lucien Laurin is on record that he believes National may prove a better performer than Traffic when the distances stretch out to such as the 1 1/4 miles of the Kentucky Derby.

The Webster pair will be arrayed against Chieftain, Bupers, Ikeya, Royal Rascal and Sheldrake. If seven start, the race will gross 82,500 with 53,625 going to the winner.

The 1 1/4 miles of the Gulfstream 'Cap figures to attract a field of between 10 and 14. Gun Bow, winner of three major stakes on the West Coast before losing in the Santa Anita Handicap and bowing to Mongo in the John B. Campbell at Bowie, is top weight under 125 pounds. He'll be ridden by Bill Shoemaker.

## Whites Stumble Upon a Sit-in

FRANKFORT, Ky. (AP) — About 50 waitresses, eating fried chicken while sitting in the Kentucky House gallery Wednesday, reacted promptly when asked to move.

They had not realized they were seated next to about 30 Negroes and whites engaged in a hunger strike to dramatize a plea for a public accommodations bill. The hunger strike was in its fourth day.

The waitresses were on hand to lobby against a measure which would allow employers to deduct 25 cents an hour from their salaries if they received tips.

## Judge's Threat Isn't Serious

LITTLE ROCK, Ark. (AP)—Circuit Judge William J. Kirby has a new sign protecting his parking space at the courthouse: "Unauthorized use of this parking space is in contempt of court."

Will he enforce the warning? "Of course not," Kirby said.

longs of the 25,000-added Swift today, a field of eight was lined up for the Paumonok, also at six furlongs. Ahoy, with Howard Grant handling the reins, is the highweight and probable choice under 126 pounds.

J. M. Roebing's Black Mountain, a prominent Kentucky Derby eligible, was the choice in the Swift in which all carried Derby weight of 126 pounds.
